was the first preparation perfectly adapted to oure diseases of the scalp, and the first succure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR BENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one leled success can be attributed to but one cause: the entire fulfilment of its promises.

The proprietors have often been surprised at the receipt of orders from remote counries, where they had never made an effort for

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the per-sonal appearance. It cleanses the sealp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S DYE FOR THE

WHISKERS Will change the beard to a natural brown or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.
